Items	Unit Price	Quantity	Amount
40 gallon 12 year Rheem NG with Installation	1421.52	1.00	1421.52
<i>Rheem 40g 12yr Tall NG WH with standard installation. Price includes Rheem water heater, delivery, installation in the same location facing the same direction, connection to existing hot/cold water lines, gas line, single wall metal vent. Additional connections such as recirculation line, geothermal furnace or hydronic heating connections will be additional. Permit if required is additional. Price includes one code upgrade or simple pipe repair because we know every water heater needs something. Additional code upgrades or pipe repairs are additional. Price takes into account that there will be safe access to the current water heater using an appliance dolly. If a water heater has to be lifted over an immovable object or carried, additional charges will apply. Reasonable protection to property will be included anything beyond that can be extra.</i>			
Cold Water Shut Off Valve (Code Upgrade)	124.99	0.00	0.00
<i>Turn-off water at the home's working main water valve. Drain down plumbing system. Supply &amp; Install new valve as to isolate water heater per local code. Provide 3 year warranty on product and installation.</i>			
Flood Control System (Drain Pan & Leak Detector)	124.99	0.00	0.00
<i>Provide aluminum, size compliant, drain pan with 1 inch PVC pipe to drain within 7 foot of water heater location per local code. Install water leak detector in drain pan to guard against flooding.</i>			
Cold Water Expansion Tank, 2 Gallon Replacement (Level 1)	124.99	0.00	0.00
<i>Provide &amp; replace existing 2 gallon cold water expansion tank per local code. Provide 3 year warranty on connection &amp; one year warranty on tank.</i>
